Theatre Scrapbook's Summer Camp is for children going into grades K through going out of 12.
(See session for specific grades)

No experience is necessary to participate, every camper who auditions will be in the show.
(Audition materials will be provided on the first day)

As the camp session is short, it is important that the children be able to attend every day of camp.

- Rehearsals run from 9:00am to 12:00pm each day, with the exception of the performance day.
- The goals of our camp are to help the children develop self confidence and performance skills, as well as to have fun and make new friends in the community.
- The children audition on the first day of camp and receive their roles the following day.
- Each day, the children meet with our staff to learn their lines and songs, as well as engaging in theater activities.
- On the last day of camp, we will stage a full Broadway-style show for the entire community with singing, dancing, costumes, lights and music. There will be 2 free public performances on the last Friday at 10am & 12pm.
